Monaque,

One of our partners is not ready (at the last minute!) for our field effort to Christiansburg/Radford Virginia next week so we have to postpone by one week. My apologies for this situation. Can you please amend our travel to move it back by one week? I have already called the hotel and they are making the changes.

I'm not sure if you did Bill and Dale's travel too....?

If you have questions, please give me a call.

Thank you.

Brian
